

THE FUNDAMENTAL DIFFERENCES

- **This section will focus on teams and skillsets I've experienced while working at Shopify, consulting, and working with various companies.**
- **There are a number of teams that I find exist at various points in a company's lifespan**

TEAMS AND FOCUSES

- **Datastores**
 - **Databases**
 - **Caching**
 - **Queueing**
- **Networking**
 - **“The Edge” (where a request leaves and enters your infrastructure)**
 - **Emails**
 - **Internal Intranet**
